SOIL AND MATERIAL HANDLING SOLUTIONS

Base Stabilization
Soil Remediation
Cold Mix Asphalt
Concrete
Flowable Backfill
Fly Ash Stabilization

SEAMAN GUNNISON PORTABLE PUGMILL PLANTS

SEAMAN GUNNISON PUGMILL PLANTS offer contractors a highly efficient and cost effective material handling solution. Our Pugmills combine a Pugmill Blending System, Computerized Dosage Control, Multi-Bin Configuration, Feed Systems for various materials, Custom Built Specifications and Precision Manufacturing.

CUSTOM BUILT

We offer the features and options you require such as stationary or portable mount, 1-3 bins on a single trailer mount, water, asphalt and cement feed systems, load cells, computer monitoring and controls. Design your own configuration for a cost-effective solution that fits your specific needs.

PUGMILL BLENDING SYSTEM

Mixing paddles with reversible, abrasion resistant surfaces, mounted on twin shafts and coupled to a high torque electric motor reduce wear costs and give you the mixing power you need.

ELECTRIC POWER

High end electric components give you high dependability on the job site, makes trouble-shooting easy and reduce operation and maintenance costs.

COMPUTERIZED DOSAGE CONTROL SYSTEM

Simple, user friendly control center gives you maximum blending and proportioning control, ensuring the desired consistency of your end product, and allows for High Performance Cold Mix production.

MODELS AND OPTIONS

MODEL	NOMINAL PRODUCTION CAPACITY	MAIN BIN CAPACITY	BINS 2 & 3 CAPACITIES (Optional)	PUGMILL MOTOR	MAIN CONVEYOR MOTOR	BIN CONVEYOR MOTOR	MAIN CONVEYOR WIDTH	BIN CONVEYOR WIDTH	CONTROL PANEL	ASPHALT PUMP (Optional)	POWER SYSTEM (Optional)
EP100	100TPH	6.5CY	6.5CY	30HP	7.5HP	3HP	24"	18"	Panel with Digital Monitor/Potentiometers for all Conveyors/Pump/Pugmill	75GPM	55kW Genset
EP200	200TPH	7.8CY	6.5CY	40HP	10HP	5HP	24"	22"	Panel with Digital Monitor/Potentiometers for all Conveyors/Pump/Pugmill	75GPM	72kW Genset
EP300	300TPH	7.8CY	6.5CY	40HP	15HP	5HP	30"	24"	Panel with Digital Monitor/Potentiometers for all Conveyors/Pump/Pugmill	75GPM	90kW Genset
EP500	500TPH	7.8CY	6.5CY	40HP	15HP	7.5HP	36"	30"	Panel with Digital Monitor/Potentiometers for all Conveyors/Pump/Pugmill	75GPM	135kW Genset
